

Instructions for downloaded virtual simulators

1. Download the .zip file package to your computer.
2. Extract the contents of the .zip file to a folder on your computer.
3. Open the folder with the extracted files.
4. Double click .exe file to start the Virtual Simulator or double click "index.html" to start the Virtual Simulator in a web browser.
5. The Virtual Simulator should now be running.

If you have any issues getting the product to work, please contact CAPL.
